

2009 Young Birder's Conference

June 21 - 27, 2009

TRAVEL DETAILS

Please read the following information carefully so that you fully understand these policies and procedures prior to your arrival.

It is absolutely essential that we have your travel itinerary before the start of the Conference to ensure your safety. Please fill out and return the **Travel Itinerary form** and mail it back to the ABA no later than **June 5, 2009.**

BY CAR

If you are being driven to the YBC, please plan to **arrive between 3:00 pm and 5:00 pm (Pacific Time)** on Sunday June 21 at the University of San Diego. We will have an informal dinner and orientation together the first evening. We will coordinate with you as to specific directions on the campus as we draw closer to the event.

Departure date is Saturday, June 27 (you must check out of the conference by noon). We will provide breakfast on June 27 and will have light snacks available until noon, but you will need to be checked out and picked up by noon.

BY PLANE

Transportation by van will be provided for the group from the San Diego International Airport to the University of San Diego. We will coordinate arrival times for all attendees as we draw closer to the date, but please plan on arriving at the airport as early on Sunday, June 21 as possible, preferably between noon and 5:00 pm Pacific Time. We understand that attendees will be coming from all over the country, but we hope to make as few trips to airport as possible. *We must be made aware of any changes in flights or itinerary in order to assure you are picked up and dropped off safely.*

When your plane arrives, proceed directly to the Baggage Claim area and look for the ABA/YBC sign – but we'll probably find you easily (if you own a bird t-shirt, be sure to wear it so we can identify you more quickly). If you do not immediately see us, please call 724-263-9426 to locate us. The group will ride together in vans to the University of San Diego.

2009 Young Birder's Conference

Travel Itinerary - YBC 2009

ATTENDEE'S NAME: _____

EMERGENCY CONTACT: _____

All flights should be made to San Diego International Airport (SAN) in San Diego, California

ARRIVAL:
