April 29th 2007
Sunday
clear all morning, warm, foggy very windy
in afternoon

Today we got up at 6:30 AM and
parked the car and left the bird and
drove to W. Michigan Forest and
uphill ground. This somebody called and
said they had a Spruce Grouse - he was
near road and saw it by the road and
a female and he was walking around
and got the bird. 3 of us then walked
it to the pool. We then it went south
and then walking toward us. I think she
wanted us to leave, so we did.
Then we found some Spruce grouse so it
therefore drove to the Knapwick Inn
and met our, then both the other had
on it a hike. Last time to Spruce grouse was
I heard out and the ground was white, but didn't
see any, then we kept driving on Venison
Rd, but was very sandy, (next page) ~H.N.E.

4/29/07
we got into the car and found out again,
we checked a female spruce grouse
about we got home at 10:00 AM. Then
we kept walking in hope we would
see a ♂, about 15 minutes later we stopped
we found a ♂ spruce grouse quite high
up in the tree at Rd level, we got some fruit
looks like also saw a:
- Red-breasted Nuthatch
- B.C. Chickadee
- Spruce Grouse 1 ♂ 1 ♀
- House Finch
- American Robin
- Dark-eyed Junco

Then we got into the car and drove to
Michigan Park and saw some grouse at 7:10 AM
Then we walked to the Mackinac Island, it was
around 8:00 AM and we saw a grouse
we got it in our hands, it was very fat and
had got the grass and 5 getting
