

TABLE OF CONTENTS

Birding

VOL. 41 • NO. 2 • MARCH 2009

About the Cover: Structural differences among *Empidonax* flycatchers can be surprisingly obvious and valuable for field identification; see article, p. 30. For an analysis of the cover photographs, see the *Birding* WebExtra <aba.org/birding/v41n2p5w1.pdf>.

Main cover image: *Alder Flycatcher*, © Robert Rooyse. Supplemental images, clockwise from upper left: *Pacific-slope Flycatcher*, © Bob Steele; *Yellow-bellied Flycatcher*, © Robert Rooyse; *Willow Flycatcher*, © Robert Rooyse; *Least Flycatcher*, © Garth McElroy.
