

About the Cover: North America's finches provide abundant challenges for birders interested in plumages and molts. You can learn much more about the six birds on our cover by consulting a *Birding WebExtra* by one of North America's most skilled young birders, John Garrett of Pasadena, California: aba.org/birding/v41n4p5w1.pdf

Photo credits: *Pine Siskin, Common Redpoll, Pine Grosbeak, Gray-crowned Rosy-Finch, and House Finch* by © Jacob Spendelow; *Lawrence's Goldfinch* by © Bob Steele.
